

Adhesive Remover

Product Data Sheet

BREAKS DOWN AND EMULSIFIES FLOORING ADHESIVES

BENEFITS:

- Effective on many soft, organic adhesives
- No abrasive chemicals
- No harsh solvents
- Water based
- Environmentally friendly, biodegradable
- Non-toxic, VOC compliant

DESCRIPTION: VanHearron, Inc.'s Adhesive Remover is a surface preparation solution that breaks down and emulsifies adhesives on concrete and other cementitious surfaces.

USES: Adhesive Remover is specifically designed to remove soft adhesives that typically cannot be removed by grinding or bead blasting. Adhesive Remover is effective on adhesives such as cut back, most mastics and other organic adhesives.

LIMITATIONS: Adhesive Remover is not considered an alternative to asbestos mitigation. If removing an asbestos based adhesive, proper asbestos mitigation procedures must be followed.

APPLICATION: Read Entire label before using. Use only as directed. Apply solution liberally on surface to be prepped with a low pressure garden style pump sprayer or a plastic sprinkling can. Use a stiff bristled brush (nylon deck brush is recommended) to lightly spread product evenly over the surface. Allow solution to dwell for ten minutes. After ten minutes, agitate the surface with the stiff bristled brush in a back and forth motion going north to south and then east to west, to assure complete surface agitation. Areas of heavy buildup may require the use of a floor scraper to loosen thicker material. Allow the agitated solution to dwell on the surface an additional ten minutes and rinse thoroughly. Allow surface to completely dry before analyzing results. Repeat process as needed.

CAUTION: Do not allow to dry on the surface. Protect all adjacent surfaces from overspray. Thoroughly rinse product from surrounding vegetation.

WARNING: *Keep out of reach of children. Do not take internally.* Use in well-ventilated area. It is good practice to always wear

protective clothing, gloves, and eye protection when handling adhesive removers.

COVERAGE: Approximately 100 to 200 square feet per application per gallon, depending on surface soiling, porosity, density and thickness of adhesive buildup.

AVAILABILITY: VanHearron's Adhesive Remover is available in 1 gallon, 2.5 gallon and 5 gallon buckets.

Physical state : Liquid
Appearance: Clear
Color: Light Amber
Odor: Organic
Odor threshold : No Information available
pH: 10.0 - 11.0
Specific Gravity: 1.01
Viscosity: Water Thin
Melting point/freezing point: No Information available
Flash point Above 200°F
Boiling point: ≥ 100 °C / 212 ° F (at 760 mm Hg)
Evaporation rate: No Information available
Flammability (solid, gas): No data available
Flammability Limits in Air
Upper flammability limit: No Information available
Lower flammability limit: No Information available
Vapor pressure: No Information available
Vapor density: No Information available
Water solubility: Complete
Partition coefficient: No Information available
Autoignition temperature: No Information available
Decomposition temperature: No Information available

Disclaimer/Warranties: 100% satisfaction guaranteed when used as directed. Contact VanHearron for exclusive remedy or either refund of purchase price or replacement of product. Proof of purchase within one year of purchase required. Neither manufacturer nor seller have any knowledge or control concerning the purchaser's use of the product. No expressed warranty is made by manufacturer or seller with respect to the results of any use of the product or container wherein the product is packaged. No implied warranties including but not limited to an implied warranty of merchantability or an implied warranty of fitness for a particular purpose are made with respect to the product. User shall rely on his or her own information and tests to determine suitability of the product for the intended use. User assumes all risk and liability resulting from use of the product. Neither manufacturer nor seller assume any liability for personal injury, loss, or damage resulting from the use of the product. We do not suggest or guarantee that any hazards listed herein are the only ones which may exist. In the event that the product shall prove defective, buyer's exclusive remedy shall be that the seller or manufacturer shall, upon written request of buyer, replace any quantity of the product which is proven to be defective or shall, at its option, refund the purchase price of the product upon return of the product. Manufacturer shall not be responsible for use of this product in a manner to infringe on any patent held by others.
