

Daily Counter Care

Technical Data Sheet

SINGLE STEP TO CLEAN, POLISH, AND PROTECT SEALED NATURAL STONE

BENEFITS:

- Effective cleaner with built-in sealer
- Polishes and reseals as it cleans
- Safe on all sealed natural stone and many other surfaces
- Low VOC, low odor and biodegradable
- Water-based, no harsh chemicals
- Non-toxic

DESCRIPTION: Daily Counter Care is perfect for everyday clean up. Because Daily Counter Care is formulated with a built-in sealer and polish, it works especially well on kitchen and bathroom countertops. Daily Counter Care was developed for *all sealed natural stone surfaces* including granite, marble, slate, limestone, onyx, travertine, and soapstone.

ADVANTAGES: Reduces maintenance time by cleaning, polishing and protecting sealed stone in one easy step.

APPLICATION: **Read entire label before using.** *Before using, always test in an inconspicuous area to confirm desired results.*

Spray Daily Counter Care directly on the area to be cleaned. Wipe and buff using a soft, clean towel, paper towel, or microfiber cloth. For heavily soiled areas, allow Daily Counter Care to work for five minutes then agitate with a white nylon pad. Dry the surface completely with cloth or paper towels. Paper towels deliver the best results.

WARNING: Protect from freezing. Do not use on painted surfaces. Skin contact should be minimized by wearing gloves, appropriate clothing, and eye protection. Protect all non-targeted adjacent surfaces, especially painted surfaces. Remove overspray immediately with water.

AVAILABILITY: Daily Counter Care is available in 22 oz. ready to use spray bottle

Physical state: Liquid
Appearance: White Emulsion
Color: White
Odor: Slight Alcohol
Odor threshold: No Information available
pH: 5.0 - 7.0
Specific Gravity: .994
Viscosity: No Information available
Melting point/freezing point: No Information available
Flash point: Above 200°F
Boiling point : ≥ 100 °C / 212 ° F (at 760 mm Hg)
Evaporation rate: No Information available
Flammability (solid, gas): No data available
Flammability Limits in Air
Upper flammability limit: No Information available
Lower flammability limit: No Information available
Vapor pressure: No Information available
Vapor density: No Information available
Water solubility: Dispersible
Partition coefficient: No Information available
Autoignition temperature: No Information available
Decomposition temperature: No Information available
Density Lbs/Gal: 8.29
VOC Content (%): 3.1

VanHearron's state-of-the-art protective treatments have developed a reputation among architects and design professionals as the premier solution for construction chemicals. VanHearron, Inc. is dedicated to solving the destructive influence water intrusion and other elements have on tile and natural surfaces.

Technical service engineers and chemists are available to answer questions on product performance, application methods and chemical composition.

Disclaimer/Warranties: 100% satisfaction guaranteed when used as directed. Contact VanHearron for exclusive remedy or either refund of purchase price or replacement of product. Proof of purchase within one year of purchase required. Neither manufacturer nor seller have any knowledge or control concerning the purchaser's use of the product. No expressed warranty is made by manufacturer or seller with respect to the results of any use of the product or container wherein the product is packaged. No implied warranties including but not limited to an implied warranty of merchantability or an implied warranty of fitness for a particular purpose are made with respect to the product. User shall rely on his or her own information and tests to determine suitability of the product for the intended use. User assumes all risk and liability resulting from use of the product. Neither manufacturer nor seller assume any liability for personal injury, loss, or damage resulting from the use of the product. We do not suggest or guarantee that any hazards listed herein are the only ones which may exist. In the event that the product shall prove defective, buyer's exclusive remedy shall be that the seller or manufacturer shall, upon written request of the buyer, replace any quantity of the product which is proven to be defective or shall, at its option, refund the purchase price of the product upon return of the product.
