

## Fabric Stain Remover

### Technical Data Sheet

#### CARPET AND UPHOLSTERY STAIN AND SPOT REMOVER

##### BENEFITS:

- Deep cleaning with minimal effort
- Will not remove colors or dyes from fabric or carpet
- Will not change the feel or softness of the carpet or fabric
- Patented surfactant technology for deep cleaning
- Permanently removes dirt and stains
- Will not strip away the fabric's protection or damage the fibers

**DESCRIPTION:** Fabric Stain Remover is a slightly alkaline water based solution of anionic oil splitting surfactants used in heavy duty industrial applications primarily for ambient, low effort cleaning. It is a high performance detergent with a high dispersive capacity, excellent wetting, superior detergency and unique coupling characteristics. It's strong enough to be the most versatile cleaner you own, but safe for the most fibers.

**USAGE:** Fabric Stain Remover can be used on most carpet and upholstery fabric. It safely removes stubborn, even old set-in stains on natural as well as synthetic fiber surfaces. Light brushing with a stiff bristle brush may be necessary on certain stains and buildup. Fabric Stain Remover will remove grime, food stains, greases and oils, and a wide variety of other organic compounds. Fabric Stain Remover is safe on most surfaces but always test in an inconspicuous area to determine suitability.

**PRECAUTIONS:** It is good practice to always wear protective clothing, gloves and eye protection when using spray cleaners. Do not take internally. Avoid contact with eyes. May cause minor skin irritation with prolonged contact. Protect adjacent surfaces from overspray. If overspray occurs, simply wipe the adjacent surface dry with a clean white cloth.

**APPLICATION:** **Read entire label before using. Use only as directed.** Remove as much loose debris and contaminants as possible. Apply sufficient material to thoroughly wet the surface. Allow to work on surface 5 to 10 minutes, depending

on the severity of the stain. Do not allow product to completely dry on the surface. If necessary, lightly scrub with a stiff bristle nylon brush. Rinse or wipe surface with a clean white cloth and warm water. Heavily soiled areas may require a second application.

**COVERAGE:** 50 – 300 square feet per gallon, depending on surface and contamination level.

**AVAILABILITY:** Carpet and Upholstery Stain Blocker is available in 22 oz. ready to use bottle.

Physical state : Liquid  
Appearance: Clear  
Color: Light Amber  
Odor: Organic  
Odor threshold : No Information available  
pH: 10.0 - 11.0  
Specific Gravity: 1.01  
Viscosity: Water Thin  
Melting point/freezing point: No Information available  
Flash point: Above 200°F  
Boiling point:  $\geq 100$  °C / 212 ° F (at 760 mm Hg)  
Evaporation rate: No Information available  
Flammability (solid, gas): No data available  
Flammability Limits in Air  
Upper flammability limit: No Information available  
Lower flammability limit: No Information available  
Vapor pressure: No Information available  
Vapor density: No Information available  
Water solubility: Complete  
Partition coefficient: No Information available  
Autoignition temperature: No Information available  
Decomposition temperature: No Information available

Contact VanHearron, Inc.'s Technical Services for further information or application instructions. Technical service engineers and chemists are available to answer questions on product performance, application methods, and chemical composition.

Disclaimer/Warranties: Neither manufacturer nor seller have any knowledge or control concerning the purchaser's use of the product. No expressed warranty is made by manufacturer or seller with respect to the results of any use of the product or container wherein the product is packaged. No implied warranties including but not limited to an implied warranty of merchantability or an implied warranty of fitness for a particular purpose are made with respect to the product. User shall rely on his or her own information and tests to determine suitability of the product for the intended use. User assumes all risk and liability resulting from use of the product. Neither manufacturer nor seller assume any liability for personal injury, loss, or damage resulting from the use of the product. We do not suggest or guarantee that any hazards listed herein are the only ones which may exist. In the event that the product shall prove defective, buyer's exclusive remedy shall be that the seller or manufacturer shall, upon written request of buyer, replace any quantity of the product which is proven to be defective or shall, at its option, refund the purchase price of the product upon return of the product. Manufacturer shall not be responsible for use of this product in a manner to infringe on any patent held by others.
