

Indigo Scrub

Product Data Sheet

DEEP CLEANING WITH MINIMAL EFFORT

BENEFITS:

- Super cleaning with minimal effort on grout, tile, natural and fabricated stone and more
- Excellent detergency and oil coupling
- Environmentally friendly, no CFCs; water based, non-toxic, VOC compliant (> 75 g/l)
- Non-flammable – flash point > 200 F
- Low odor, non-hazardous, pH 10.6 and biodegradable, COD = 600 mg/gm
- Use indoors and outdoors

DESCRIPTION: Indigo Scrub is a deep cleaning, low effort, dual action formula with cleaning and stain removing properties that are second to none. Indigo Scrub combines the proven power of Mighty Indigo with nano-sized particles to provide deep, below the surface cleaning. It also acts as a mild abrasive to remove stubborn surface stains. Indigo Scrub has a thick, creamy consistency that is perfect for horizontal and vertical surfaces.

USAGE: Indigo Scrub is the perfect cleaner for countless uses. An effective cleaner for grout, tile, natural and fabricated stone and terracotta, it's also safe and effective in cleaning metal and plastic surfaces. Use it indoors and outdoors. Indigo Scrub will remove deteriorated sealers and coatings as well as grease, grime, food and drink stains, ground in dirt, marks from rubber, ink, and pencil.

LIMITATIONS: May affect the soundness of some paints. Do not allow Indigo Scrub to completely dry on the surface.

ADVANTAGES: Indigo Scrub is a multi-purpose cleaner that can handle an extensive range of stains, deep and superficial, on a large variety of surfaces, both interior and exterior. Thanks to the creamy consistency of Indigo Scrub, cleaning vertical surfaces is as easy as cleaning horizontal surfaces.

APPLICATION: **Read entire label before using. Use only as directed.** Shake Well. Remove as much loose debris and contaminants as possible. Liberally pre-wet the surface with clean water and apply Indigo Scrub onto the wet surface. Allow to remain on surface 5 – 15 minutes, depending on the severity of stain. If necessary, lightly scrub with a stiff brush. Rinse or wipe surface with clean cloth and warm water. Heavily soiled areas may require a second application.

COVERAGE: 15-75 Square feet per 32 oz. bottle, 50 – 300 square feet per gallon, depending on surface type and contamination level.

WARNING: Protect from freezing. May affect soundness of some paints. It's good practice to always wear protective clothing, gloves and eye protection when using cleaning products. Protect all non-targeted adjacent surfaces, window glass, vehicles, aluminum, paint films and plant life. Remove overspray immediately with water. Use in a well-ventilated area.

AVAILABILITY: Indigo Scrub is available in 1 gallon bottle and 32oz. bottle.

Physical state : Liquid
Appearance: Clear
Color: Light Amber
Odor: Organic
Odor threshold : No Information available
pH: 10.0 - 11.0
Specific Gravity: 1.01
Viscosity: Water Thin
Melting point/freezing point: No Information available
Flash point: Above 200°F
Boiling point: >= 100 °C / 212 ° F (at 760 mm Hg)
Evaporation rate: No Information available
Flammability (solid, gas): No data available
Flammability Limits in Air
Upper flammability limit: No Information available
Lower flammability limit: No Information available
Vapor pressure: No Information available
Vapor density: No Information available
Water solubility: Complete
Partition coefficient: No Information available
Autoignition temperature: No Information available
Decomposition temperature: No Information available
