

Vinyl Cleaner

Product Data Sheet

READY TO USE VINYL TILE FLOOR CLEANER

BENEFITS:

- Safe and easy to use
- Contains no harsh detergents, ammonia or bleach
- Anti-soil ingredients keep floors cleaner longer
- Dries fast with no sticky residue
- Pleasant scent
- Cleans and protects

DESCRIPTION: Vinyl Cleaner is ideal for cleaning vinyl floors, such as sheet vinyl and luxury vinyl tile. Gentle cleansing conditioners remove fingerprints, footprints, and paw prints, smudges and dirt from vinyl floors. Vinyl Cleaner lifts dust and removes dirt and grime while leaving behind a micro-protective surface that resists re-soiling. One easy step helps keep surfaces clean and dust free longer. Vinyl Cleaner also leaves no waxy buildup or sticky residue, which tend to attract and hold dust, dirt and pet hair.

USES: Safely cleans no wax floors, linoleum, sheet vinyl, luxury vinyl tile and more.

APPLICATION: **Read entire label before using. Use only as directed.** Remove as much loose debris and contaminants as possible by sweeping or vacuuming the floor. Liberally mist the surface to be cleaned and allow 30 seconds for product to work. For best results, apply in sections. Mop or wipe floor with a swivel head microfiber mop or a clean microfiber towel.

AVAILABILITY: Vinyl Cleaner is available in 22 oz. ready to use spray bottle and 1 Gallon Bottle.

Appearance: Clear liquid
Color: Pale yellow
Odor: Mild lemon
Odor Threshold (ppm): Not available.
pH (Value): 9.5 +/- 0.5 (0.125 % Solution)
Melting Point (°C) / Freezing Point (°C): Not available.
Boiling point/boiling range (°C): ~100
Flash Point (°C): No flash below boiling point.
Evaporation Rate: ~ 1 (water = 1)
Flammability (solid, gas): Not applicable.
Explosive Limit Ranges: Not applicable.
Vapour pressure (Pascal): Not available.
Vapour Density (Air=1): Not available.
Density (g/L): 1.11 +/-0.02
Solubility (Water): Dispersible in water.
Solubility (Other): Not available.
Partition Coefficient (n-Octanol/water): Not available.
Auto Ignition Point (°C): Not applicable.
Decomposition Temperature (°C): Not available.
Explosive properties: Not explosive.
